Tell us a little about yourself...

God has a unique purpose or calling for all people.

What are your previous ministry life experiences, or where do you feel God is calling you to serve?

What is your preferred volunteer time and availability? For example, would you like a weekly, monthly, quarterly, or one-time commitment?

Have you ever completed a serving discovery tool? If not, would you be interested in more information?

See reverse side for service opportunities...

Please check one.

I will continue to serve in my current ministry role(s) with Cave Spring United Methodist. *(There is no need to check a serving area below unless interested in serving in a new or additional ministry.)*

I want to serve in a new role. Please indicate the area(s) where you feel most called to work. You will be contacted by a staff or lay leader with more information. For a description of all service opportunities, please refer to the Cave Spring UMC 2018-2019 Volunteer Handbook which is also available on our website at cavespringumc.org.

Please check all areas about which you would like to receive more information.
